HB 636/Zerwas	1.13.11	Relating to creation of the Texas Health Insurance Connector. The small employer and individual health benefit plan markets in this state are a fundamental and integral component of the economy of this state that create significant employment and business opportunity, including enabling more than 1.5 million individuals, and 110,000 small businesses with more than 650,000 employees to obtain health benefit plan coverage in 2009. The US Congress exceeded its constitutional authority by passing the Patient Protection and Affordable Care Act, which contained a number of provisions that have the potential to significantly undermine the operations of the small employer and individual health benefit plan markets in this state. The Patient Protection and Affordable Care Act includes an option for a state to create a health insurance exchange to facilitate the purchase of individual and small group health coverage and to provide assistance with enrollment of eligible individuals in qualified health plans in lieu of the federal government operating a health insurance exchange in the State. "Qualified health plan means a health benefit plan that the board has certified under Section 1509.108." The Board may adopt rules necessary to implement state responsibility in compliance with a federal law or regulation or action of a federal court relating to a person or activity under the purview of the connector if the federal law, regulation or action of the	September 2011	N/A	Heritage Foundation

SB 404/Hegar	2.2.11	Relating to health plan and health benefit plan coverage for abortions. Adds a new subtitle to the Insurance code to provide that coverage obtained through a health benefit exchange may not provide coverage for abortions except those necessary to save the life of the mother. Adds a new chapter (Coverage for Abortion Prohibitions and Requirements) to the Insurance Code to provide that a health benefit plan may provide coverage for an abortion only if: 1) the coverage is offered separately from other health benefit plan coverage offered by the issuer; 2) and enrollee pays separately and additionally for abortion coverage; 3) an enrollee provides a signature for coverage for abortion separate from that for the rest of the plan. Makes exception for abortions necessary to preserve the life of the mother. The bill requires health benefit plan issuers that provide coverage for abortions to calculate the premium for the coverage so that the premium "fully covers the estimated cost of abortion per enrollee,; and may not consider the savings from services (such as prenatal care, delivery, postnatal care) not delivered because of an abortion; the plan issuer also may not provide a discount to an enrollee for coverage other than coverage for abortion on the basis of the enrollee having abortion coverage.
