

Transferring Your Health Savings Account (HSA)

Consolidating your accounts made easy.

Why Transfer My HSA?

If you have more than one HSA, consolidating your funds under one account is a good option to consider. TML MultiState Intergovernmental Employee Benefits Pool (IEBP) is upgrading and providing integration between the Alegeus Section 125 Debit Card vendor with your Liberty Health HSA Bank. This upgraded integrated service should expedite access to HSA Employer and Employee monthly deposits.

- **A single experience.** With your funds in one Liberty Health HSA Bank, you will have one login, one statement, one mobile app, one support team, and one debit card.
- **Save money by reducing fees.** By consolidating funds and closing your other account(s), you can eliminate any administration fees from your prior custodian.
- **Make tax-time easier.** By having one HSA account, you will only have one set of tax forms to manage during tax-time.
